Rack equipment	1 x plate rack 1 x plate/tray rack 1 x universal rack	1 x plate rack 1 x plate/tray rack 1 x universal rack

[1] The machine is equipped with an automatic cycle-time control which ensures hygienic rinse temperatures even on a cold-water supply or with reduced heating performance.

[2] Theoretical performance

*Multi-Setting: The heater output can be reduced at site from 12.3 kW to 6.15 kW if required.
